PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Despite Setbacks Local Carnival Really Enjoyed

Witches, devils, robots, ghosts, pretty lasses and "Cousin It" all put in an appearance at the Canal Point P. T. A. Halloween Carnival Saturday night and were among the prize winners in the costume contest. Judges, Col. and Mrs. W. S. Evans and Dr. and Mrs. Leo Hobert were hard put to choose the best outfits amidst the varied finery. Rev. Lawrence Stewart introduced the winners as follows:

Preschoolers, Pamela Martin, Sissie Canell and Vance Aiken; first grade, Randy Higgins, Yvonne Carr, Tony Maynor and Carol Gifford; second grade, Sharon Fortner, Debbie Eaton, Dennis Martin and Carlos Rodriguez; third grade, Loretta Pugh, Laurel Tarr, Suzanne Hooks and Danny Martin.

Fourth grade, Vicky Higgins, John Cebiek, Jay Stewart and Lemar Hooks; fifth grade, April Cossett, Alan Tarr, Jerry Pugh and Buddy Richardson; sixth grade, Barry LeDoux, Roberto Cosvedo, Larry Stewart and Joe Carr.

The surprise ending promised by the carnival committee failed to jell because of an unscheduled surprise "Destiny" had in store. A power failure throughout Canal Point put everyone in the dark for about thirty minutes. During this flashlight interval, the able, astute Jimmy Repper successfully conducted an auction which netted approximately \$50.

The combination of inclement weather, power failure and other out of the ordinary pre-Halloween conditions resulted in a disappointingly small profit for the P. T. A. Nevertheless, carnival co-chairmen, Mr. and Mrs. Donald Harrington, wish to express their unbounded gratitude to the committee, teachers, judges, donors of merchandise, labor, talents, baked goods, booth workers and last but most important those who supported the carnival with their attendance and patronage.

Success Despite Rain at Carnival

Despite the rain, the Pahokee Halloween Carnival was proclaimed a success by all committees working to that end. The elementary school carnival began with a parade at 5 p.m. with preschoolers through the sixth grade participating. Judges were Rev. Guthrie Colvard, Mrs. Arch Blakey and Luther York.

Pahokee High School students, grades seven through 12, celebrated Halloween with a masquerade ball in the high school gym. Music was furnished by the "Chevelles."

DRAGON IN HOSPITAL

John Dragon, Pahokee merchant, was entered in Everglades Memorial Hospital in Pahokee on Wednesday of this week for tests and treatment.

HOME FROM HOSPITAL

Bill Erickson returned to his home this past weekend following recent surgery at Lakeland General Hospital.

Lampi To Attend Bandmaster Meet

Mr. and Mrs. R. O. Lampi will leave today for Tampa where Mrs. Lampi will visit her parents, Mr. and Mrs. C. B. Williamson, while Mr. Lampi attends the Florida Bandmasters' Association executive board meeting at the Hawaiian Village in Tampa.

County Bond Issue Is Passed Tuesday

It was no sweeping victory — but the county's local bond issue for \$1.75 million in capital improvements was given voter approval Tuesday.

The bonds, to be secured by the county's share of race track funds will finance projects not presently covered by ad valorem taxes.

A fourth appellate court to serve nine southeastern counties was assured by Florida voters Tuesday and a Tallahassee meeting of the cabinet and Supreme Court will be held shortly to select a site.

The amendment, which was supported by several state groups, won by nearly a 3 to 1 margin and there was no organized opposition to adding a court of appeals to relieve the heavy case load in District 2, now located at Lakeland.

Curlee Road Open To Sugar House

Newly constructed Curlee Road running from the hump-backed culvert near the Prison Farm across the muck to the Glades Sugar House, is open for traffic this week. The connecting link between the new state road and the already constructed county road will be completed in the near future, according to county advisers.

The new Curlee Road runs across the muck a mile and a quarter where it connects with two county roads — one on each side of the Glades Sugar House — for convenience of the new sugar concern. At present the north half of the two county roads has not yet been black topped but plans call for keeping these roads graded so that cane hauling trucks can use them when the new season starts November 20 at the Glades Sugar House.

TO ATTEND CONVENTION

Mrs. R. T. Smith and Mrs. Paul Rardin will leave Sunday for Fort Lauderdale where they will attend the annual convention of Florida Baptists. They plan to return to their homes in Canal Point Thursday.

HOME FROM VACATION

Mr. and Mrs. Howard Holman have returned from a ten-day vacation spent in the Great Smokey Mountains and with her parents, Mr. and Mrs. Gaston Fisher, at Belmont, North Carolina. Mr. and Mrs. Holman also visited her aunt, Mrs. H. A. Page, at Moultrie, Georgia.

Mr. and Mrs. Wallace Jaudon of Tampa were Thursday guests of his sister and brother-in-law, Mr. and Mrs. Wiley Tillis, in Pahokee.

Road Bond Issue Soundly Smashed Throughout State

In a smashing set-back at the polls on Tuesday, Governor Burns and his political cohorts throughout the state suffered unmercifully when the 300 million dollar bond issue was soundly defeated by an eight to five vote against it. Burns allies throughout Florida — including road contractors — had stumped the state in behalf of the bond issue but their efforts didn't convince the citizens of Florida that an open end bond issue was a good thing.

For the past several weeks Governor Burns had personally stumped the state in behalf of his pet project but other state officials were just as hard at work telling folks that it wasn't a good deal for the taxpayer. He emphasized safety but opponents, such as Robert King High of Miami, Sen. John McCarty of Fort Pierce and Scott Kelly of Lakeland insisted it was his own political safety Burns was campaigning for.

Kelly openly charged Burns was using the amendment to pave his way for re-election in 1966.

Cane Harvesting Starts This Week For 65-66 Season

The 1965-66 sugar cane harvest season got underway this week and will continue through the season until all cane is harvested next spring. First to burn fodder and cut cane in this area was the U. S. Sugar Corporation at Bryant. Actually they planned to start November 1 but were held up a few days on account of wet weather which hindered burning of the fodder preparatory to cutting the cane.

Second to start harvest this fall will be Okeelanta Sugar Refinery south of South Bay and they plan to get underway on November 15. They will be followed closely by Sugar Cane Growers Cooperative of Florida which plans to start grinding on November 20.

The Atlantic Sugar Mill will start on December 1.

Open Date Tonite For Blue Devils

Coach Web Pell's Pahokee Blue Devils have an open date this week and tonight they will be watching other teams perform instead of battling on the gridiron. Last week the Devils won over their time-honored rival — Stuart — by a score of 19 to 6.

One week from tonight the local aggregation will travel to the lower east coast of Palm Beach County and battle the eleven representative Boca Raton High School. Pell has his team in first class shape for the encounter next week and hopes they will add another victory to their imposing list this season.

Dr. and Mrs. Long To Dental Meet

Dr. and Mrs. Roland R. Long, accompanied by Dr. and Mrs. William H. Wilson, Jr., of Miami left Thursday for Las Vegas, Nevada, where they will attend the national convention of the American Dental Association.

J. K. Baker Hurt In Crane Mishap

J. K. Baker, long time resident of Belle Glade and 20 year road department employee of Palm Beach County under County Commissioner Paul Rardin, was taken to the hospital in Belle Glade Monday when he was struck by a piece of metal culvert on a swinging crane. At Glades General Hospital, it was learned the retired county employee and a former Pure Oil bulk station operator, suffered a deep head gash, an injury to his left hip, right shoulder and a cut on his nose.

According to his business partner, Charles Nicks, of 932 S.E. 4th Street, Baker was running a tractor with a fork lift while clearing an area near the pump manufacturing plant.

A section of broken culvert was in the area to be cleared and as Baker swung the piece of pipe, it came back and hit him on the right side of the head.

Didn't Like It In Our County Either

Palm Beach County citizens — though promised multi-millions in four-lane highways — refused to vote in favor of the 300 million dollar bond issue Tuesday and turned down Governor Burns' proposal by a vote of 12,275 to 11,069.

Several county officials formed a group to support the bond issue and had made speeches throughout the county in behalf of the idea — but to no avail.

When time came to do the voting, the folks who walked in behind the closed curtains said they "didn't like the idea anyway."

Sweet Corn Meet Called Monday

A meeting of the Florida Sweet Corn Advisory Committee has been called by Chairman Roy Vandegrift, Jr., to be held on Monday, November 8, 1965, at 10:00 a.m. in the Palm Beach County Glades Office Building in Belle Glade, to consider grade regulations for husked corn on the cob for the 1965-66 season, along with other business which might properly come before the committee.

All interested growers are urged to attend.

HANDLEYS VISIT

Mr. and Mrs. Thomas Handley of Gainesville, Fla., were visitors in Pahokee on Wednesday of this week. The Handleys are former residents of Pahokee where he was engaged in road construction.

Trustees Are Out And Glades May Suffer In Future

Voters-Taxpayers of the county okehed a six-mill levy for schools in the voting Tuesday, but were wide apart on other issues of the ballot. They voted out the school trustees who have been serving for many years without salary. In the same breath, the voters said emphatically that the school superintendent's job should remain elective.

The voting finals said there shall remain five members on the school board instead of seven as the proposal called for, but they must serve in the future without pay.

In the trustee voting, A. R. Harrington in the Glades, Kenneth E. Nolen and J. M. Morris from the east coast lost their bid for a trustee's job when the position was abolished. Glades residents may rue the day this vote was accomplished, because it further reduces the representation that the western section of Palm Beach County will have in the school affairs of county government.

While trustees served without salary, the school board members drew \$3,000 annually and this amount was wiped off the records in the voting. This is another mistake the voters probably made, because it is going to be a hard job to find qualified men to serve on the school board without any pay at all. Only time will tell.

C. A. Bailey Dies, Lived Belle Glade

C. A. Bailey, age 71, died Monday night in a West Palm Beach nursing home. For many years Mr. and Mrs. Bailey had lived in Belle Glade where they moved several years ago from Pahokee where he operated a grocery store and sold real estate for many years.

Until his retirement several years ago, Mr. Bailey continued in the real estate business in Belle Glade. The business is now operated by Mayor-Commissioner Bill Bailey, his son. A daughter, Mrs. Joy Lou Payne and the widow, Mrs. Ruby Bailey, along with seven grandchildren survive.

Private funeral services were held yesterday morning at Mizner Funeral Home in Belle Glade and burial was in the family plot. Services were conducted by Rev. L. D. Lossing, former vicar of the St. John's Episcopal Church in Belle Glade and now of Orlando.

Bailey was born in Towanda, Pennsylvania, May 15, 1894, and moved to Pahokee in 1930, following a brief residence in St. Cloud.

During World War I, the former grocer and operator of a bicycle repair shop in Pahokee, served as a corporal in the motor transport division, U. S. Army.

MRS. O'CONNELL HOME

Mrs. Frank O'Connell has returned to her home in Canal Point from a three-week visit with her son-in-law and daughter, Mr. and Mrs. Frank Spanga, in New Smyrna Beach. Mrs. O'Connell has been suffering from a broken arm, received when she fell out the back door of her home.

Auxiliary Group Officers Are Put Into Office

The installation of officers of the Everglades Memorial Hospital Auxiliary was conducted during the regular meeting in the hospital dining room Tuesday night.

Mrs. Grace Maxson was inducted president; Mrs. Marjorie Laks, vice president; Mrs. Marian Hatton, recording secretary; Mrs. Margaret Fanjul, corresponding secretary; and Mrs. Marilyn Potete, treasurer.

Prior to the installation, Mrs. Esther Hundley, installing officer, addressed the group in a brief talk on "Merchants of Light." She presented each officer with a gloriosa lily corsage.

At the business session Mrs. Ona Faye Urry, ways and means chairman, reported the vending machines in the hospital lobby, sponsored by the Auxiliary, are return-

ing a small profit. She said a vending cart is being prepared for carrying from room to room various small items popular with the public for the convenience of patients. This cart is expected to be in operation in the near future, and if present plans are carried out will make two rounds daily to the rooms of patients.

Mrs. Alys Okie reported small packets of note paper and envelopes are to be prepared for distribution to patients by the Auxiliary through the courtesy of the Glades Observer.

Mrs. Maxson reminded members that membership dues for the 1965-66 year must be turned in to the treasurer, Mrs. Potete, by the next meeting, Nov. 23. The dues are \$3 a year for a sustaining member, who is required to serve 50 hours a year in Auxiliary work, either in or outside the hospital; and \$10 a year for a sustaining member, who may volunteer to work in the Auxiliary but is not required to do so. The \$100 life membership does not have to be renewed annually.

Mrs. Maxson led the group in the opening Auxiliary Prayer. Mrs.

Cletis Hand was in charge of the serving of refreshments at the close of the meeting. Coffee and cake were enjoyed.

Glades Favors The Sort of Time We Enjoy at Present

If a poll were taken today in the Lake Okeechobee Farming Region, it probably would show that folks are pretty well satisfied with the time of day they are now enjoying. Not many of them would be in favor of changing to Daylight Saving Time.

A statewide poll of merchants on the subject of Daylight Saving Time is underway by the Florida State Retailers Association. The poll is being taken both by mail and by personal contact.

The state merchant group will

not take a position on the subject until it has a consensus of the views of all Florida retailing, says Dallas L. Hostetler, executive director of the association. "There are pros and cons," says Hostetler, "and views vary among different segments of Florida's economy."

An act of the Florida Legislature would be required for adoption of Daylight Saving Time, and the retailers feel there is enough interest in the subject to cause the lawmakers to lend an attentive ear.

MAJORS IN MUSIC

David Cunningham, son of Mr. and Mrs. D. W. Cunningham, of Pahokee has been selected at FSU to participate in the student ordination at the Southeastern Regional Convention of the National Association of Teachers of Singing to be held at the University of Georgia, Athens, Georgia, this weekend. Mr. Cunningham is presently a senior majoring in music at FSU.

Why should you buy U. S. Savings Bonds when there are so many other good investments?

To help your country is one answer — and a good one.

But Bonds have other advantages that make them worth your consideration.

For instance, they offer you just about the easiest way to save money: either with the Payroll Savings Plan where you just ask your employer to put part of your wages aside toward a Bond or through regular purchase of Bonds at your bank.

Another unique advantage of U. S. Savings Bonds is the way they stick with you. You can get your money any time.

But if you're like most people, you'll hang on to your Savings Bonds for the big things you want in your future.

And, of course, Bonds are a safe investment — as long as there's a United States of America.

Which brings us back to your country again. Bonds help defend freedom at a time when the enemies of freedom are stronger than ever.

Buy Savings Bonds. The banks or savings institutions that sell them don't charge you a penny for the service

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{4}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000, and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

A message from the Treasury of a free people

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

Bus Station Will Re-Open Canal Pt. Webb Operating

Canal Point has been without a bus station for several months but all that has changed this week when W. H. Webb, Sr., re-opened the Shell Service Station with full operation of a bus station therein. He will serve as agent for Trailways and for the Greyhound Lines.

For many years Mr. Webb operated a bus station in Pahokee across the street from Vandegrift-Williams Farms. In conjunction with the bus station he operated a service station and repair shop, specializing in lawn mowers and mower motors. He also conducted a key duplicating service there.

This week, workmen have been busy under the direction of Paul Sasser, Shell Distributor, cleaning up the Shell Station and the surroundings preparatory to Mr. Webb's move from Pahokee. This week he moved all of his repair equipment from the Pahokee spot to the new location in Canal Point where he is ready to serve the public.

On the spot in Pahokee where Mr. Webb operated for many years, a new grocery store will be opened.

WONDER TREE

WORLD'S FASTEST SHADE

A tiny seed 3 years ago, now at 21 ft., beautiful shade tree. Will be 45 ft. at 7 years old. Salt tolerant, freeze proof, small leaves, sheds no trash, no root runners, plant year around, grows extremely fast, almost evergreen. I brought this North Pole scrub to Florida and converted it to the most wonderful tree ever placed on Fla. soil by man or God. We produce in the 5 ft. to 25 ft. size, which we furnish with planting and care instructions. Post paid and guaranteed. Most of our sales are from neighbors of our past customers. All varieties of nursery stock. OPEN SUNDAYS. Write for free pictures and literature.

Emmett S. Roberts Named Chairman Christmas Seals

Another honor has come to the dean of the Palm Beach County delegation—Hon. Emmett S. Roberts, State Representative, of Belle Glade. This time he has been named chairman of the 59th Annual Christmas Seal Campaign which is scheduled to start Nov. 16 and continue through December.

The appointment was made by Gerald C. Daniels, president of the Palm Beach County Tuberculosis & Health Association, who said, "We are indeed fortunate to have Representative Roberts head this campaign. I know of no one who is more able or who has a greater concern for the welfare of the people of our county and our state than Representative Roberts."

In accepting the appointment, Representative Roberts said, "I deem it an honor to again serve as Christmas Seal chairman for our TB Association. The tremendous increase in the incidence of respiratory diseases such as emphysema is alarming and an extremely serious problem. I am pleased to have a part in helping our association to make progress against this crippling lung disease."

Representative Roberts is past president of the association and

has been a member of the Board of Directors for 15 years. As the dean of Palm Beach County's legislative delegation, Mr. Roberts has served as chairman and as a member of many major committees where he assisted in developing legislation designed to meet Florida's problems in higher education; finance and taxation; government reorganization; drainage and water conservation; agriculture and migrant labor problems and others.

Young Lady Home From Working In Fair Exhibit

Miss Olga Sheffield of Pahokee was back at her desk at the Glades Sugar House this week following a four months sojourn at the World's Fair in New York City where she worked in the Palm Beach County exhibit. She was more than happy to be back, although she reported an excellent 120 day stay at the fabulous fair.

Six girls from Palm Beach County "manned" the exhibit during this summer and last summer during the fair. They came from various sections of the county and each one reported a good time along with a lot of hard work.

While in the Big City, they shared an apartment. Their quarters were in LeFrak City, about a mile from the fair.

Their schedule consisted of working from 10 a.m. to 5 p.m. two days, from 5 p.m. to 10 p.m. two days and then having a day off.

Woman's Club In Wednesday Meet

Mrs. E. C. Johnson presided at the noon meeting of the Pahokee Woman's Club Wednesday, October 27.

The program featured FHP Sgt. Bill Hawkins of the Florida Highway Patrol troop "L", West Palm Beach. Sgt. Hawkins spoke on traffic safety and gave highway death figures for this past year. Following his talk, Sgt. Hawkins held an informal question and answer period at which time members of the club discussed traffic problems and little known traffic violations.

Mrs. R. F. Hurt was in charge of program arrangements. In a short business session following the program, it was decided to place a fine of 50c on all members who made luncheon reservations with the club and failed to appear at the luncheon.

Mrs. Bea Wheeler, Mrs. Faye Ursy and Mrs. Frances Weeks were welcomed as guests.

Family Reunion Held By Goodsons

A family reunion was held at the home of Mrs. A. E. Goodson on Monday, October 25. Those attending were her sons, Robert L. of Charleston, S. C., Ronald E., Vero Beach; Charles L., Wichita, Kansas; Roy W., James V. and Darryl L. of Canal Point; her daughters, Mrs. Lena Mock, West Palm Beach; Mrs. JoAnn Bensen, Winter Park; Miss Joyce Goodson, Riviera Beach; Mrs. Betty Nodel and Miss Sylvia Goodson, both of Canal Point; and six grandchildren.

The occasion was celebrated by a bowling party, lots of good food and best of all, just being together again.

HEADED FOR THAILAND

Airman 2/c Charles L. Goodson is on leave visiting his mother, Mrs. A. E. Goodson and family, before being shipped overseas for a year's tour in Thailand. His wife, Linda, and daughter will be at home in West Palm Beach during his absence.

Sorority Group At Steak Dinner

Members of the Xi Alpha Nu Chapter, Beta Sigma Phi Sorority and their husbands met at the home of Mr. and Mrs. Rupert Mock for a steak dinner, served in the back yard which had been transformed to resemble the wilderness of a cypress swamp.

Mrs. Nina Hutton was assisted with arrangements by Mrs. Georgia Moon, Mrs. Lavinia Parker, Mrs. Mildred Schoepel, Mrs. Imogene Scott, Mrs. Gertrude Wilson and Mrs. Grace Maxson.

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

'66 CAPRICE

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—that the select class of fine cars these new Caprices invite comparison with in every detail.
